## Order Of Merit

July 19 2012

The Professional Darts Corporation adopted an Order of Merit system in 2007, which is based on prize money won over two years for the main Order of Merit with a separate one-year ranking list for PDC ProTour events also in operation.

The PDC Order of Merit below is correct at March 16 2015 following the Players Championship events in Barnsley.

Due to technical issues we cannot upload the latest rankings spreadsheet for download but hope to be able to resolve this in due course.
